Thanksgiving Holiday Basket Drive

Central is preparing to bless 100 families this Thanksgiving season. Please donate food items to help fill our Thanksgiving baskets.

Donation boxes will be located in the lower-level lobby.

If you or someone you know is in need of a Thanksgiving basket, please sign up in the Administrative Office by November 16th.

Packing and preparation will begin November 20–21 and distribution will be November 23–24. Volunteers are needed to help package baskets.

For additional information, or to volunteer, please see Sis. Doris Cook or Sis. Karen Coates.

Senior Ministry

Payments continue to be collected for the Chicago Black History Month Trip. See Bro. Tinsley or Sis. Blue.
Note: The cost is $1250.00 per person double occupancy. An additional $469/person is required for single occupancy.

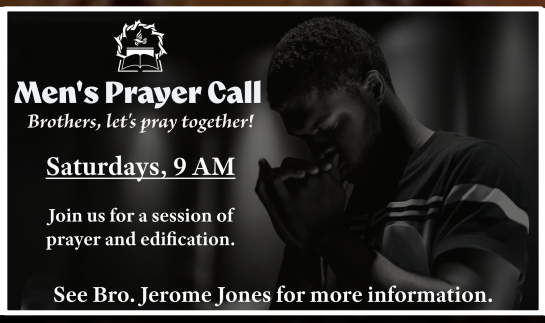
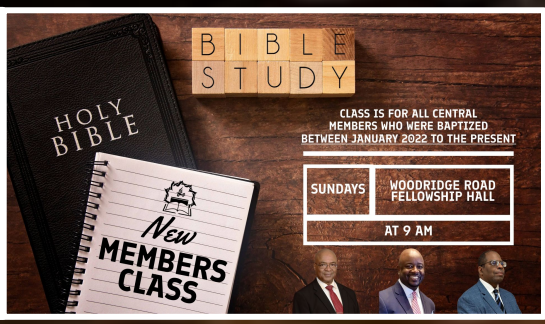
Dennis Watkins

Welcome,
To the Work and Fellowship of the Lord's Church!

Friendly Reminders!





Health Ministry

November is **National Diabetes Awareness Month**, a time to learn about diabetes, recognize the warning signs, and take steps toward better health.

Diabetes is a chronic condition that affects how the body regulates blood sugar (glucose). The most common types are Type 1, Type 2, and gestational diabetes. Without proper management, diabetes can lead to serious complications, including heart disease, kidney damage, vision loss, and nerve damage.

Know the Warning Signs

- Increased thirst and frequent urination
- Unexplained weight loss
- Fatigue and blurred vision
- Slow-healing cuts or frequent infections

Some people with Type 2 diabetes may have no noticeable symptoms, making regular health screenings important.

Take Steps to Reduce Your Risk
You can support your health by eating balanced meals, staying physically active, maintaining a healthy weight, getting adequate sleep, and scheduling routine medical checkups. If you have diabetes, follow your treatment plan and monitor your blood sugar as recommended by your healthcare provider.

This November, take charge of your health!Encourage your family and friends to learn the risk factors, recognize the warning signs, and talk with their healthcare providers about diabetes screening.
